Dear Recipient,

As local real estate developers/business owners, we can highly recommend to you Stephen Bailey, Chris Aliff and their company, American Filter Services, Inc. My business partners and myself agree with Steve and Chris in the fact that both of our organizations believe in long term relationships, community involvement and the golden rule of "treat others as you wish to be treated." American Filter Services, Inc., provides our companies with a good product, timely service, professional advice, courteous certified technicians and accurate billing.

Recently I brought to Chris's attention that a woman in our office was experiencing an unusually high number of sinus infections. As a professional courtesy American Filter Service upgraded our office filters to the new MERV 8 antimicrobial filters at no additional cost. To my surprise my co-workers number, and severity of sinus infections has been reduced during this past winter.

Currently, American Filter Services provide services to the following companies owned and operated by our group:

North Side Medical (a 2 story, 4 suite medical/professional building)

Comfort Inn (a 99 room motel)

Northside Plaza (a 44,000 square foot shopping center)

Sleep Inn (a 96 room motel)

Northside Chevrolet-Pontiac-Buick-GMC (a 15,000 square foot automobile dealership)

Ferguson Office Complex (a 2 story, 10,000 square foot office building)

Northside Chrysler Jeep Dodge (a 21,000 square foot automobile dealership)

Additionally it is my opinion that American Filter Services is the premier filter service company in our region as evidenced by their continued growth and stellar reputation. Please feel free to contact me at anytime at 1-800-872-4844 ext. 115 should you have any question or
