AMERICAN FILTER SERVICES INC.  
403 Melvina St.  
Summersville, WV 26651

To Whom It May Concern,

I would like to take a moment to highly recommend American Filter Services Inc. Their certified technicians have been changing our HVAC filters at all 30 of our West Virginia locations for the past 2 years.

American Filter Services has promptly corrected any problem or concern I have informed them of, where as my prior HVAC filter service company had to be reminded continuously. MIR, LLC. looks forward to working with American Filter Services in the years to come.

Having American Filter Services Inc. servicing our HVAC Filters at all 30 of our locations is a tremendous asset to us, as we all know, we all have to many things to remember as it is.

Benefits of contracting with American Filter Services Inc.

1. Lower operating costs due to fewer repairs and keeping our units with clean filters increases efficiency.
2. Working with a family owned company provides us with excellent person-to-person attention and service.
3. Improved store appearance by the cleaning of dust on return air grilles.

We are very pleased with the over all service they provide and would highly recommend them to provide your HVAC filter service needs.

If you have any questions please feel free to contact me @ 304-201-3696.

Sincerely, Lynn Smith  
MIR LLC.
